JUMP Home Repair Program

(as of December 30, 2011)

(Client - person or persons requesting repairs)

Description

- This is a non-funded program
- all labor is provided (free) by volunteers
- Materials costs are paid for
 - A. by donations from area churches & businesses and private donations.
 - B. a payment agreement made with the Client (for whom the work is being done) to pay for some or all of the materials.

Guidelines

- income should be less than Twice Federal Poverty Level (includes **all sources of income** such as SSI, SSD, Food Stamps, etc.)
- should own residence (exception - handicap needs)
- residence should meet criteria for a safe and secure living environment
- should complete a financial evaluation

Do's

- Handicap Access Ramps
- hand railings/steps/porch railings
- minor plumbing and electrical repairs
- minor kitchen and bathroom repair
- doors and unsafe windows
- we encourage family, your church or other supports groups to help with your project (labor, on-site lunch, etc.)

Don'ts

- do not do high or steeply pitched roofs
- do not do rental property (exception - handicap needs - must have release/agreement from landlord in order to proceed with work on rental property.)
- do not do cosmetic work and/or repair
- Do not supply appliances, furnishings, etc.
